THE GEORGE WASHINGTON UNIVERSITY
gwu.edu

DESCRIPTION

American University creates meaningful change in the world. With highly ranked schools and colleges and internationally recognized faculty, AU offers a balance between class time and career-advancing experience in Washington, D.C., and beyond. Its students, among the country's most politically active, distinguish themselves for their service, leadership, and ability to rethink global and domestic challenges and opportunities.

Georgetown University is one of the world's leading academic and research institutions, offering a unique educational experience that prepares the next generation of global citizens to lead and make a difference in the world. Students are challenged to engage in the world and become men and women in the service of others, especially the most vulnerable and disadvantaged members of the community. These values are at the core of Georgetown's identity, binding members of the community across diverse backgrounds.

The George Washington University actively engages Washington, D.C., and the world. Our location in the heart of Washington places us at the core of U.S. government, policy and law. We sit where the worlds of science, technology, media and the arts converge. Our students and faculty have the unparalleled opportunity to study and work alongside leaders and practitioners in every discipline, to take part in the interchanges that shape our community and the world.

SUMMER STUDY

Community of Scholars Program: allows high school students to take a 3-credit course that blends a week of online learning with two weeks of traditional on-campus classes. The program introduces students to the advancing fields of U.S. foreign policy, international conflict resolution, and global environmental politics.

Discover the World of Communication: Open to all high school students. Activities, guest speakers, events, and field trips occur regularly throughout the summer.

Summer Institutes: Offers rising junior and senior high school students and recent graduates a two-week, immersive seminar that features field experts, lectures, and site visits. These programs are non-credit. Email augap@american.edu for more information.

English as Second Language: 8 week summer program. Classes on Tuesdays and Thursdays. 40 contact hours. \$595 for class only. Housing and meals not included.

Contact: Matthew Tister, auabroad@american.edu, 1-202-885-1320

U.S. University Prep Program: Prepare to study in U.S. colleges and universities. 8 weeks basic to academic bridge levels. Improve academic reading, writing, listening and speaking. Choose elective classes including business, academic skills, current events, and popular culture.

Pre-College Programs: Experience life as a college student, without the pressure of grades. Non-credit programs span from accelerated, one-week institutes to three-week programs. Students engage in hands-on learning, study alongside classmates from around the world, and explore exciting areas of study.

English as Second Language: Six levels of instruction, basic to academic bridge. Intensive English, Monday-Friday, 20 hours per week. Cultural activities within Washington, DC. Housing and meals not included.

Contact: highschool@georgetown.edu, 1-202-687-7087

U.S. University Prep Program: 4 week, 6 credit program for rising Sophomores, Juniors, and Seniors in high school. Program cost can include room and board or be program only.

College Intensive: 3 or 6 week programs. Can choose between 3 or 6 credits. 3 credit tuition is \$6627. 6 credit tuition is \$9934. These costs pay for tuition, program fee, room & board.

Summer Immersion: 2 week program for rising Sophomores, Juniors, and Seniors in high school. Four sessions are offered from late June to mid-August. 10 different fields of study are available to students. Travelers are able to attend off the eligible visitor visa. Costs include program fees, supplies, room and board.

UNIVERSITY OF MARYLAND COLLEGE PARK

umd.edu

DESCRIPTION

Johns Hopkins University is America's first research university, a place that revolutionized higher education in America. This is still a destination for excellent, ambitious scholars and a world leader in teaching and research. Distinguished professors mentor students in the arts and music, humanities, social and natural sciences, engineering, international studies, education, business, and the health professions.

The University of Maryland is home of the Terps—inspiring, involved and intrepid Terps from across the state and around the globe. We're one of the nation's top-ranked public research institutions, with a whopping 90+ undergraduate majors. And we have an unbeatable location just outside Washington, D.C. Want to be a Terp? We'd love to have you!

SUMMER STUDY

EducationUSA Academy: For international students only. Introduces students to all aspects of academic life while improving academic English, receiving guidance on the university admission process, touring area colleges and universities, and engaging in cultural, community and sports activities. 1 credit, 2 week course in Advanced English Language Courses, History and Practices of U.S. Higher Education, American Culture, and Public Health.

Discover Hopkins: 2-week mini-term programs focused primarily on the sciences. 3 terms offered in total. Must be 15-17 years old. Cost can include room and board or be program only.

English as Second Language: The summer program provides complete language immersion. The full-time program provides at least 22 hours of classroom instruction per week. 5-week term from July 2-August 3, 2018.

Contact: summer@jhu.edu

Maryland English Institute (MEI): offered to students at UMD. Fewer than 100 students are admitted every semester so that teachers can work personally with students. Summer semester is 7 weeks.

Terp Young Scholars: July 8-27, 2018. Terp Young Scholars invites high school students to an outstanding pre-college experience. During three unforgettable weeks, students will: Pursue academic interests and discover career opportunities, study with exceptional faculty in a stimulating environment, engage in creative problem solving with equally talented peers, earn three university credits, and discover the independence of college life.

Summer Session: The University of Maryland offers a variety of 3-week summer classes. Term dates and qualifications vary. Each student must be accepted as a Summer Session student to register. A list of offerings can be found at www.oes.umd.edu/summer-term.
